PRESIDENT'S MESSAGE:

Hello everyone! This month's meeting will be held at our headquarters, Timbuktu Restaurant located at 1726 Dorsey Road, Hanover, MD... Hopefully everyone has had a great summer and have enjoyed many festivities with family and friends. September's meeting will be our first official meeting since June and I hope everyone is excited to get back together to share their adventures of summer and begin the network processing again. This month's meeting / presentation is given by Sitech. Mr. Mike Windsor and company will talk about Drones in the construction industry. This is exciting stuff and whether you're using or thinking about the use of Drones this presentation may answer a lot of your questions or prompted some conversation within your organizations' team. Please come and join me and your colleagues, listen, learn and enjoy some camaraderie.

An update on our VP Bill Cyford, for those of you who don't know, two weeks ago Bill had a double bypass to correct some issues from his previous surgery. I spoke to Bill today, he doing as well as can be expected, a little sore and recouping well. There is a good possibility that he will join us on Tuesday. So, make it a point to attend, I'm sure it will brighten his spirits.

Look forward to seeing you on Tuesday evening!

Regards,
Ed Gestido
